

We at FOPWPS love being approached to fund certain projects, and this term is no different! This term was the turn of the school council, asking for money to fund their 'buddy bench' scheme and we are delighted to tell the children 'Yes!'.

It is with thanks to the support that the FOPWPS receive that we are able to continue to do this – help us to raise money to fund projects for our children, please support us and get involved in anyway you can!

In 2017, the FOPWPS contributed to the school updating the minibuses ... just think of all the money this has saved parents on school trips. For example, the latest Year 5 residential trip saved parents over £2,000 in coach hire!

The National Elf Service and the mini Christmas kids' event were funded and organised by the FOPWPS and the funds raised went towards paying for the pantomime, which the whole school enjoyed.

As we told you in our July newsletter, we have funded the school hockey kits and the two teams wore them with pride at the recent game against Hildenborough in January. Don't they look fabulous?
