

Thank you, thank you!

Such a successful fireworks event last weekend - thanks to all our helpers, sponsors and supporters. We raised a staggering **£5,500** for our school, and the children (and adults) had great fun at the event which helps us reach our main aim as a committee.

We honestly cannot run events without some extra help from parents, children or other family members; the queues could be half the length and we could have extra stalls running.

Please do get in touch if you could help at any event by emailing info@fopwps.org.uk - you don't have to join the committee, just volunteer for a few hours either on the day or in the buildup. We would love you to join us!

Have an idea you want us to consider for fundraising or events?

Fill in the form coming home with your child today to be "in it to win it!"

Doing our part to recycle

We are working hard to reduce single use plastic and ensure that what we use we recycle.

For future events we are hoping to have reusable cups, and other ideas... watch this space!
