

Different kind of Teamwork!

Meeting in person has not been possible this term, but we have loved having our monthly Zoom calls to discuss fundraising and moving our charity forward in such strange times! With a number of new PTA members - we have been able to still raise money for such wonderful causes. We welcome you to the committee, thank you for your contribution. There is still room for new faces if you would like to join us, please do get in touch!

As the term comes to a close, we thought we would highlight what fundraising (and spending!) we have done this year...

Wishing all our school families a wonderful Christmas - stay warm and safe. See you in January for more FUNdraising!

Central resources

The Primary Years Programme nurtures and develops our students as caring, active participants in a lifelong journey of learning. As the academy leads work on the International Baccalaureate, we were approached to help create and fund a central resource base for all to enhance their learning - a bit like an old-fashioned library where students can benefit from central reference documents. We will share photos of this as the resources are given their new home in the New Year!

Oh no we haven't!

Oh yes we have!

Christmas Jumper day on 16 December allows us to fund a very important tradition at this time of year - the annual pantomime.

We hope the children enjoy a virtual Jack and the Beanstalk this year.

Bonus Club

We will continue to maintain the play areas through our Bonus Club, so if you're not part of this scheme with a chance to win a monthly prize, download an application form from our website today!

Due to the restrictions of the Coronavirus we have had to postpone our face to face fundraising events for the time being. However, do get involved with our active virtual activities or get in touch, we would love to hear from you!

Up up and away! Join our virtual balloon race leaving Lapland on Christmas Day.

Have fun designing your own balloon and follow its 7-day race to be in with a chance to win some great prizes. Winners will be announced in January on our social media pages.

Visit: <https://ecoracing.co/Index.php> and search Paddock Wood to join our race to the finish!

We are raising money to help fund our stage project which we shared with you last year. The large hall will have a make-over to include new stage, light and sound equipment - allowing our children to shine when we can get back to the world of school productions and assemblies.
